**Please note:** there is no personal injury insurance cover provided by the NSW Department of Education and Training for students in relation to school sporting activities, physical education classes or any other school activity. Parents and care givers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport zone, area and state school sport associations when deciding whether additional insurance cover, above that provided by Medicare, is required. Personal accident insurance cover is available through normal retail insurance outlets.

The NSW Supplementary Sporting Injuries Benefits Scheme, funded by the NSW Government, covers any injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body.

Students who are members of a Narrabri Zone team need to be aware of the North West P.S.S.A By -Law which states: <b>"Students representing Zones at Area trials must be willing to represent the Area and, if selected in the Area team, MAY NOT WITHDRAW without the approval of the North West P.S.S.A Executive"</b> .
