COVID-19 Restrictions

Dear Parents

Narrabri West Public School will continue to operate at Level 2 restrictions.

During this time, parents and non-essential visitors cannot enter the school grounds.

Students can continue to be dropped off at the back gate. Mrs Nichols or Mrs Gett will be there to assist them onto the school grounds. The pick up area will be near the hall. Please stay behind the marked off area when you collect your children at 3.25pm and maintain physical distancing.

There will be some changes to school activities. Further notices about changes to school events, including sporting activities, will be communicated through Skoolbag.

As you are aware Tamworth LGA has moved to stay at home rules and some parents and students have visited this area recently. Teachers and students are authorised to leave their home and attend work and students are also authorised to attend school unless they are a casual or close contact.

Parents and carers are reminded NOT to send children to school if they are unwell, even if they have the mildest cold or flu-like systems. Please keep children at home and organise a COVID-19 test. Children may return to school when they are symptom free and have obtained a negative test result.

If you have any concerns, please contact the school on 67922377. Further information can be accessed in the following link:

<https://education.nsw.gov.au/covid-19/advice-for-families>

Your children's learning and wellbeing is still of the highest priority at Narrabri West Public School and your support is sincerely.

Best wishes

Tania Nichols

Principal
